Women's Care Center of Milwaukee is part of the nation's largest and most successful pregnancy resource center in America. The primary mission of this vital program is to help struggling women choose life for their babies, become self-supporting, and create nurturing families. Located on Farwell Avenue immediately across the street from the abortion clinic, this center has touched the lives of 8,372 pregnant women and their babies since they opened in 2010. A second site is located on Historic Mitchell Street. Over 94% of the women who receive free counseling and an ultrasound at Women's Care Center choose life for their babies.

**THE MILWAUKEE CENTERS
ARE ALREADY SERVING
OVER 36 WOMEN EVERY DAY.**

All services are provided free of charge and include:

- Counseling and pregnancy testing
- Ultrasounds
- Prenatal education & prenatal vitamins
- Baby basics education
- Adoption counseling
- Parenting skills classes
- Services in Spanish
- Crib Club which provides cribs, diapers and baby items under an incentive system
- Emergency assistance and community referrals
- One-on-one goal counseling to promote good parenting and self-sufficiency

In support of Women's Care Center, please join us for the seventh annual

Your support helps pregnant women choose life for their babies, have healthy pregnancies and become more nurturing and self-sufficient parents.

All of our programs are 100% supported by private donations.

\$500 Hole Sponsors

- Recognition at their specified hole
- Opportunity to include corporate materials at the dinner tables and in the golfer's "grab bag"

\$150 per person for Evening Reception and Dinner Only

- Join us at 5:30 p.m. for the cocktail reception with dinner to follow

Baby Blayden's mom, a high school senior, said,

"I thought my life was over."

That's why she wanted an abortion when she first came to Women's Care

Center. Instead she found a new beginning, chose life for her baby and learned to be a great mom.

She also recently started college.
